Please ensure the additional edits in the attached version are included. I didn't see them in the version sent forward; there were no additional edits based on our general w Rick yesterday. Thanks and have a good weekend!

Hi Darlene,

Thanks! Steve

Rick,

Sorry this is coming so late. The attached consolidates responses provided by Steve, EFED, Lance (FEAD), BPPD, RD and me. We're still waiting on the sections in red, but given the current load on Kevin's branch, I didn't want to

bug them today. I'll check with them in the morning. Meanwhile Steve and I

thought we'd give you this to start reviewing now. Let us know your thoughts.
